One Year Genetic Health Guarantee:

THIS IS A ONE YEAR HEALTH GUARANTEE THAT IS FOR LIMITED GENETIC HEREDIATARY DEFECTS THAT RESULTS IN DEATH OR RENDERS THE DOG UNSUITABLE AS A PET CAUSED BY DEFECTS OF THE HEART, LIVER, KIDNEYS, AND LUNGS UP TO IT'S FIRST BIRTHDAY.

THE BREEDER DOES NOT GUARANTEE AGAINST COMMUNICABLE DISEASES SUCH AS PARVO, COCCIDIA, GIARDIA, DISTEMPER, RABIES, CHERRY EYE, ENTROPIA, ECTROPION, ALLERGIES, UNDESCENDED TESTICLES, LOOSE KNEES OR HIPS, STENOTIC NARES, ELONGATED SOFT PALLET, UMBILICAL HERNIAS, DERMATITIS, OR DEMODECTIC MANGE ETC.

Be very careful where you take your pup until fully immunized against these types of diseases. Puppies do not have fully developed immune system when its young. I take every precaution to prevent these illnesses, but a pup's immune system is immature at time of transferring to a new home.

The breeder does not guarantee size, coat, color, un-descended testicle, under bite, overbite or fertility once the puppy has left our premises. Also, the breeder does not warranty against hypoglycemia, retained puppy teeth, ear mites, external/internal parasites, viral or bacterial infections that may occur after the puppy is brought into your environment.

If a defect is found, the purchaser must contact the breeder within 24 hours of the exam and provide Breeder with a copy of your veterinarian's written certificate stating the exact genetic defect found. If hip dysplasia is detected, x-rays must be sent to breeders' veterinarian for review. Hip rating must be severe, resulting in a hip replacement or euthanasia. The hip/joint warranty will be null and void if the dog is overweight or had previous injury.

If a dog has been evaluated at 12 months of age or less and diagnosed with severe hip dysplasia, the dog must be re-evaluated at the age of 24 months at which time an official OFA certification must be obtained. This does not apply if the dog has been euthanized or had a hip replacement prior to the age of 12 months. If hip dysplasia is diagnosed prior to 12 months, this diagnosis must be reported prior to the puppy's first birthday and

documented by a veterinarian complete with x-rays. If OFA gives a rating of severe at 24 months, a replacement puppy will be given at that time.

In the unlikely event of death in the first year from date of birth, due to congenital defect, a statement from a licensed veterinarian confirming such an event and cause is required before any action will be taken by the breeder. A second opinion may also be obtained by a veterinarian of the breeder choice. If the cause is unknown an autopsy is required. The breeder will not be responsible for veterinary or medical bills associated with such an event.

You, the purchaser, agree to ensure your puppy's good health and to keep our guarantee in effect by taking good care of the puppy and providing good food, housing, and good medical care. As a responsible puppy owner/purchaser you must provide your puppy with routine preventative care and all immunizations, administer monthly heart worm preventatives and annual physical examinations by a licensed veterinarian.

This contract is valid only for the original owner/purchaser of this puppy as stated at the beginning of the contract. If the puppy/dog is transferred to another owner at any time, this contract becomes null and void. This contract is null and void if any of the terms and conditions are not fulfilled. If all terms and conditions are met, breeder agrees to take the dog back into their possession in return for a replacement puppy of equal value upon first availability.

Breeder will not be responsible for refunding shipping or transportation expenses. Purchaser is responsible for returning the dog back to the facility from which the dog was purchased. We, the breeder, are not responsible for any veterinarian bills acquired by the purchaser.

The Dog is in good health and free of communicable diseases at the time of this sale. Buyer has 2 days from the delivery date to have the Dog examined by a licensed veterinarian, at Buyer's sole cost. If the Dog fails the examination, Buyer may return the Dog, with a written statement from the veterinarian, for a full refund. Failure by Buyer to have the Dog examined within the 2-day period will nullify this warranty. If Buyer chooses to keep the puppy, no replacement will be given, and all medical costs and treatment are sole responsibility of the Buyer. This health guarantee will be null and void.

All guarantees are null and void if the puppy is not kept up on its vaccinations and health visits. We are not financially responsible for the puppy once it leaves our care/Big Damn Dogs. However, we are willing to help wherever we can. Please call us immediately with any concerns.
