Payment Method _____ Deposit Amount _____

Deposits can be made with Venmo, Zelle, and Apple Pay. The waiting list deposit is \$300.00 (nonrefundable) which will hold your place on our waiting list. Another \$200.00 fee will be required when the litter is born. This will be a total deposit of \$500.00 (nonrefundable).

Waiting list deposits never expire, so you can pass on any litter and wait for the next. If you pass on an available litter, your spot on the waiting list will remain the same or move up if someone ahead of you has picked a puppy.

Waiting list deposit will be deducted from the total price of the puppy. Deposits will NOT be refunded if you are waiting on a specific breeding and that breeding fails to produce a litter. You will need to wait on that breeding pair again or choose a puppy from another litter. False pregnancies, missed breeding, delivery complications, etc., do happen on occasion, which are out of our control. We also cannot guarantee how many females or males, coat, or color each mom produces per litter. Deposits are NONREFUNDABLE no matter what.

Waiting list deposits are NONREFUNDABLE for any reason. Please make sure you want a puppy and are willing to wait before sending a deposit.

You are welcome to pay for your puppy in full at any time.

Please remember that I reserve the right to have the first pick of any litter.
